**Pretzels have an interesting history!**

Around the year 610, a monk decided to make a treat for the children who had learned to recite their prayers. Christians in those days prayed by folding their hands across their chests with each hand touching the opposite shoulder. This clever monk formed the dough so that it would look like hands folded in prayer. He gave his creation the name pretiola, which in Latin means "little reward."

**The simple shape of the pretzel, arms folded in prayer, reminds us to pray each day!**

**A MOTHER'S  
HOPES**

by Lisa Guest

*May you delight in the  
beauty and wonder  
of the big world  
May you come to know what  
is right and what is wrong  
May you smile often  
and laugh freely  
May you be able to stand strong  
in what you believe  
May you live life  
with energy and enthusiasm  
May you have wisdom when it comes  
to choosing friends and activities  
May you be aware of  
the precious gift of each day  
Most of all, Little One, may you know  
that you are treasured and loved.*

*I love these little people;  
and it is not a slight  
thing when they,  
who are so fresh from  
God, love us.*

*Charles Dickens*
